The purpose of this hearing is to receive testimony and evidence pertaining to the need or desirability of issuing an order in the matter of the petition of Ossa Energy, LLC (Petitioner), 113 West Michigan Avenue, Suite 744, Jackson, Michigan 49204.

The Petitioner seeks an order of the Supervisor, approving an exception to the well surface location requirement being not less than 300 feet from existing structures used for public or private occupancy, established by Rule 324.301(2) of Part 615. Ossa proposes to re-enter the plugged Wilson 5 well, located at 264 feet from an existing structure. The owner of the structure has not provided written consent to allow this re-entry. The 40-acre drilling unit established by Order No. 18-2007 for the proposed Wilson 5-14A well consists of the SW ¼ of SW ¼ of Section 14, T6S, R2W, Adams Township, Hillsdale County, Michigan.

You can obtain a copy of the written petition by requesting one in writing from Mr. Jesse A. Flores, Ossa Energy LLC, 113 West Michigan Avenue, Suite 744, Jackson, Michigan, 49204, telephone number 210-846-4200.

Take note that if you wish to participate as a party in the hearing by presenting evidence or cross-examining witnesses, you shall prepare and deliver to the Petitioner and the Supervisor, not less than five (5) days before the hearing date, an answer to the petition in the manner set forth in R 324.1204(6). Proof of mailing or delivering the answer shall be filed with the Supervisor on or before the date of the hearing. The answer shall state with specificity the interested person's position with regard to the petition. Failure to prepare and serve an answer in a timely manner shall preclude you from presenting evidence or cross-examining witnesses at the hearing. If an answer to the petition is not filed, the Supervisor may elect to consider the petition and enter an order without oral hearing.
